Thread: [The Order - Pun Recruitment #2 \[User CP\]](#)

Krave - December 4, 2016, 5:57 pm

What the mind can conceive, it can achieve.

Owner: [Krave](#)

Leader: [.Callum](#)

This is an official recruitment for the usergroup, The Order.

Pun Recruitment #2. See the first one [here](#).

The Order is a general discussion group. We are extremely active within the group sub-forum and we are also a tight-knit community full of amazing personalities.

About this recruitment:

The first version of this recruitment was a huge success and I've decided to do it again. There is no long application needed here, just a simple User CP request!

To apply, submit a joke/pun via User CP. That's it. If you make me or .Callum laugh, consider yourself in the group. Please try to make it original.

Non-upgraded members: Submit your pun on the thread.

Group Terms:

You must post in 48/72-hour Activity Check threads. These will be posted randomly so you must be active.

General inactivity/ghosting will get you kicked.

I have the right to deny any applicant.

Me and my leaders have the right to kick you anytime.

You must respect all members.

I will close this recruitment once we hit 100 User CP requests. Feel free to PM me if you have any questions/concerns.

You can pick your friends, and you can pick your nose, but you can't pick your friend's nose. Well you can if you guys are into that sort of thing.

Just remember that if you're ever pissed, that it is better to be pissed off than pissed on.
