Thread: [Rate My Graphics - Project Legth: 12th November to 7th December](#)

JAX010800 - December 6, 2016, 6:19 am

Hi all, I have finally completed the most horrendous task to date I have attempted. Didn't turn out how I wanted but have got it to some point which I like. I started this on the 12th of November using YouTube videos and inspiration to pull it all together and I finally finished it tonight 7th December. This was intended to be a YouTube and Twitter header for my Call of Duty alias (aydefq) but I've recently quit full stop. Please give me your thoughts on it as it's all appreciated! Thanks, Jax.
