Thread: [\[Size 8\] Comme De Garcon Converse Shoes \(For Sale\)](#)

Redwall - December 6, 2016, 1:52 pm

Men Size: 8

These are the original versions not the new ones.

Original Price: Both purchased for \$190 from Barneys NY website.

Take both of these today for \$100 BTC (SHIPPED)

These haven't been worn in roughly 2 years.

Has ton of life left and could use a wash, although i personally think Converse look better dirty.

They've been worn but haven't worn them in over a year.

Plenty of life left considering they cost \$100 for 1 pair and I'm selling both for the price of one.

A good clean is all that's needed.
