Thread: [Ps4 Jailbrake](#)

**BaldCunt** - December 7, 2016, 12:30 am

Giving serious thought about this.  
Anyone here has a jail broken ps4 ?  
I want to know the pros and cons.  
and If ever it is reversible. ?

I just googled the term and this showed up.  
You mean this is fake or not working?

**Juicy** - December 7, 2016, 12:41 am

Is there actually a PS4 jailbreak out?

There isn't one Imfao  
Like come on, you remind me of those little kids who download CFW for ps4 off of Youtube and end up getting rat'd because of it.

Only offline games. Nothing online. No bypass or anything for current FW ps4's.

**GokuHF** - December 8, 2016, 5:14 pm

Nothing out for online yet

good thing I asked first ?

I could've been fcked lelelel

**xxxtentacion** - December 9, 2016, 3:49 pm

I didn't know that there was a jailbreak out for PS4? That is actually pretty cool, gonna do some more research now to see what I can do.

**Dragonblitz** - December 10, 2016, 4:11 am

yeah that isnt out yet man.. should be out rather soon with luck

**TheSnake91** - December 12, 2016, 8:44 pm

All jailbreaks for ps4 out there are basically scams. Since ps3 3.55 i don't think anyone jailbroke sony consoles

**MeVsJad** - December 13, 2016, 9:05 am

Just go to NGU (nextgenupdate) if you want information on it.

Chinese hackers have found a way but they have not released it, the software was on 4.0.1

**Kaspah** - December 18, 2016, 4:16 pm

It's not possible to jailbreak the PS4 and I highly doubt it'll ever be.

**Crowley** - December 18, 2016, 5:01 pm

There is no jail break for the PS4 yet... If there were either rebug or any other of those devs will announce it.

**YellowKief** - December 18, 2016, 5:02 pm

Lol how did you believe this shit is real? I'd clean your computer of all those viruses that you downloaded from YouTube now OP.

and If ever it is reversible. ?

pro = none

con = not possible

reversible = no, as you cant do it in the first place.

**retros** - January 2, 2017, 7:20 am

theres no such thing only for ps3.... but if you manage to find a legit source just quote this post lmao

**CatalystFTW** - January 2, 2017, 9:17 am

No one pointed it out yet but its supposed to be jailbreak op not brake

**Vestax101** - January 2, 2017, 10:22 am

damn still no jailbreak on a ps4? i don't think well ever see such a home-brew community again.  
psp, ps2 days etc.

**HoRiiiZoN** - January 24, 2017, 12:01 pm

man there is no chance yet to jailbreak of ps4

we should wait

**Redbullz69** - January 24, 2017, 6:35 pm

Ive heard rumors about this is it possible?

**Error™** - January 24, 2017, 7:57 pm

Technically the PS4 has been fully jailbroken (1.76fw) but it lead to nothing.
