Thread: [\[FREE\] Assassins Creed 3 >> Full Version <<](#)

Jordana Brewster - December 7, 2016, 3:07 pm

Made a separate thread to the "Free Ubisoft Games" since I think it would attract more attention to those who simply read titles and not what's inside.

AC3 was released in 2012, and follows the general trend of the series. Following the main character, Desmond Miles, on his journey to find a way to avert the 2012 apocalypse.

It features stealth combat, parkour, a mixed combat system and some open world elements. Pretty fun to play, even if you aren't a huge gamer.

Enjoy :D Glad you like it

memory - December 8, 2016, 2:40 pm

Thanks for the share buddy! That's awesome that they're releasing a free game.

?Dominate - December 8, 2016, 2:42 pm

Thanks for sharing, will download this when I'm home.

?now - December 8, 2016, 2:47 pm

Awesome thread man thanks for sharing will download soon

Enjoy and have fun :D

Dzyn - December 10, 2016, 12:32 pm

It's just like Origin is doing but Ubisoft is actually giving us a good game

ShawnMendes - December 10, 2016, 4:40 pm

Thank you so much for sharing, in the middle of downloading it right now !!
