Thread: [\[WTB\] - Website traffic, Tube Traffic, Porn Traffic, Botnet traffic](#)

I am looking to buy REAL human website traffic.

I am looking for USA Desktop traffic. This can be from a por tube site, bot net traffic.

As long as its a real human visitor that will actually see my website I am interested.

If you have tons of desktop US traffic then lets talk business. ?

Check out my signature.

This is the longest running traffic shop on HF with 4 years of satisfied customers.

We also offer tons of targeting features. PM me if you're interested.
