Thread: [\[Official group\] Baka - WallFlower sector icon and logo needed \[\\$30 or invite\] COMP!](#)

SIM-1472133 - December 8, 2016, 12:35 am

I need a forum icon (40x40) made and a logo made for my new sector in Baka called Wallflower. Winner will get either \$30 or sector invite. We want something floral themes with flowers, hearts and shit. Good luck all!

Probably should elaborate on what this sector will be about. Innuendo, so it will be pretty much relationship discussion.

post below or PM me your designs!

He is a professional and makes much better graphics than I could ever make. So I expect his work to greatly surpass mine.

I gave it my best, if by miracle his doesn't win I may give it another go.
