Vouch for this user. HQ af.

Strictly - December 18, 2016, 10:38 am

Are their any discounts on this?

Juicy - December 18, 2016, 12:37 pm

Hello! My name is Juicy- and I was given a vouch review of this product.

First, I would like to start by saying, I have never been one who has doxed before. In all of my time here, I felt doxing as something that was to be used as a means for last resort. So I never aquired the knowledge to dox as a result.

Reading this eBook I immediately found information that was definitely new to me, but that I can assume would be new to everyone. This guide is obviously going to be great for beginners as it taught me the basic principles right off of the bat. I learned things that will be very helpful going forward.

Next it teaches you the essentials of all doxes, which is very nice to know. I would say that this eBook is definitely worth the price.

For the small price that this ebook is, it is more than worth the money.

FiftyTwo - December 19, 2016, 12:10 am

(Dec 18, 2016 11:38 AM)MattGates Wrote: [\[CITE\]](#) Are their any discounts on this?

There is currently a sale running on this.

Academy Awards - December 24, 2016, 12:36 pm

FiftyTwo had let me see this guide of his and I must say, the tips and methods in there are definitely good. I've had a little bit of history in the past with writing out doxes, but I didn't get too into it. But after reading this, I'm quite confident that I'll be able to complete successful doxes now. The fact that pricing starts at only \$4.99 is just astonishing because this is seriously a great guide and I'm really thankful to OP for letting me take a look. It's a thumbs up from me and I do recommend this! ?

Interested in purchasing DoX Drop but have a question or so?
Let me know, I'm here to help you. ?

Ben_0 - July 4, 2017, 5:35 am

I'm going to copy and paste my PM to you into this thread in hopes that it reaches you.

I've encountered a problem and have some concerns that I need to voice.

1. <http://www.leakedsource.com> doesn't work (hasn't for quite a while as far as I know)
2. spokeo.com appears to only be in America (I am in the UK)

For \$9 I wasn't expecting an essay but most of the information becomes useless to me for the above 2 reasons. I still learned a lot and for the price, I'm very happy with the product however I just think that an update or disclaimer needs to be added to the thread.

Also as I purchased the premium version, could I have the extra learning resources (despite the morning).

There has been no update to the thread with disclaimers that the sites may not work for people outside of the US (or at all) and there's been no delivering of the extra learning resources. I like this product and don't want a refund, I only want to inform people about their purchase so they can decide if the product will apply to them, a chance I would have appreciated.

Update: OP is currently updating the thread with new things and more extra resources.

FiftyTwo - July 4, 2017, 3:23 pm

DoX Drop is still for sale.

Let me know if you'd like to ask any questions before purchasing.

I am still selling this, and available to answer questions.

Let me know.

ChnK - November 4, 2017, 5:33 pm

Honest and short review.

I bought this to check what the content was and got a little bit disappointed. The book contains common methods to obtain info and sites that everyone uses. I do not consider myself a doxer yet I knew all these sites before buying the book. However, if you're really new and don't know anything and you're a lazy ass person, it's a good&short book to start.

FiftyTwo - November 8, 2017, 2:28 pm

hash - August 21, 2018, 2:02 am

I'm already decent in doxxing is this still worth it ? Or is this a real beginner guide, how in depth does it go and how many pages?

FiftyTwo - August 21, 2018, 12:35 pm

I'd say this is more of a beginner's guide to start one's doxing skills.

Let me know if you have anymore questions.

reckl_killer - September 2, 2018, 9:24 pm

Je peux pas pm jpeux avoir ton discord ?

CrackDownV1 - September 3, 2018, 12:28 am

Hey i bought this and want a refund, i paid with paypal and have proof my email is ogbitcoinwallet@yahoo.com

You have both been sent the product.

Enjoy and let me know if you have any further questions.

Thanks!

Stanley - May 25, 2020, 3:17 pm

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
