Thread: [ALL THREADS CLOSED](#)

**Omniscient** - December 11, 2016, 2:18 pm

Because so much of this section had CE threads it was easier for me to CLOSE all existing threads here.

NO CE THREADS ARE ALLOWED HERE ANYMORE.

**Arptastic** - December 11, 2016, 2:18 pm

Good choice omni, people just used this section if they didn't meet the requirements.

**Jesus Loves You** - December 11, 2016, 2:19 pm

I think that's the fair decision to make, currency exchanging is advertised as a privilege for ub3rs only, so fair enough.

**Guardians** - December 11, 2016, 2:28 pm

That's what I've been saying the whole time, but users combatted it by saying "other people are."

Thank you Omni.

**Motusora** - December 11, 2016, 2:30 pm

thank you for doing this ?

Thank you Omni.

It's because at one point KoH said it was allowed everywhere besides Buyer's bay.

**B?ker** - December 11, 2016, 2:32 pm

Thank you for this omni! Glad to see this won't get abused anymore!

**FiftyTwo** - December 11, 2016, 2:32 pm

This is a good implementation as people used this subforum as a loophole for not being able to post CE threads.

Just wondering, wouldn't this subforum become less active as the majority of threads were CE based?

**Killer Kamal** - December 11, 2016, 2:32 pm

I thought it was allowed i saw many L33T's posting a CE thread.

Omni is now clarifying that it isnt allowed.

I think before he did this is was sort of a grey area.

**problems.x** - December 11, 2016, 2:34 pm

Thank fuck for this, I was wondering why people were doing CE here. I mean there was no set rule, but if you can only post in the CE section if ub3r, it makes sense.

**Academy Awards** - December 11, 2016, 2:53 pm

Thank goodness this is all over! No more, carded cards (well hopefully not!)

**Dark Smile** - December 11, 2016, 3:20 pm

Just wondering is there chance to transfer thread for giftcard exchange with ~ 90 replies to CE section? If yes how? Thank you

Wishful thinking.

**Grim** - December 11, 2016, 3:24 pm

Nice update maybe people will finally use the section for what it's for

**Aqzxk** - December 11, 2016, 3:41 pm

Never really minded tbh. A lot of people had the option to go to the CE section, but chose here because it is faster. Guess this will generate more traffic towards the CE section.

Stupid scammer.

**Description** - December 11, 2016, 4:20 pm

What about people selling online accounts here? is that still allowed?

Just wondering boss man.

Also, not talking about NFA.

EDIT: I'm sorry I thought this was in just the Secondary Sellers Market

**Bluffer** - December 11, 2016, 4:51 pm

I'm really glad to see this rule. It's been like this for a long time, members circumventing the rule of only UB3Rs posting in the CE section.

Non upgraded users, multis, etc have been using traders topics and could easily scam somebody.

This will definitely mean less people scammed from ce deals... obviously they should be using appropriate caution (trust scan, rep,etc) anyways but this will help the community, great decision.

**vaiperboy** - December 11, 2016, 9:11 pm

**ShallowME** - December 12, 2016, 5:01 am

I think this decision was taken about time. Thank you for this Omniscient.

**Nomox** - December 12, 2016, 8:07 am

This applies to giftcards as well.

**Poster Boy** - December 14, 2016, 12:10 am

Lol people are still posting threads to get a quick sale and then just close it after an hour saying they didn't know about the rule.

**Evanescent** - December 14, 2016, 12:44 am

Fair enough, they found loop holes and tried to bend according to their convenience. Hope this will be followed.
