Thread: [Christmas Anime Wallpapers](#)

SkullCandy - December 12, 2016, 5:25 pm

I am trying to keep the wallpaper for <http://www.karma.moe/> current - last month was all about Your Name, but this month it is Christmas so I am thinking some nice art to show the holiday spirit.

If anyone has any good Christmas anime wallpapers or fan art that would look good here then post them :) The only anime with decent christmas pictures is K-On
