- 1.Why should someone trust you?
- 2.You just have 3 posts and 0 +rep

CichyCichoCiemny - December 14, 2016, 11:36 am

Wrong section.
Just some free software and a guy selling it for \$50.

?

I have positive feedbacks on other russian forums ([SPAM SCAM ALERT: Report to Admin/Staff Immediately], bhf, zhk). I can give 1 free license for moderator, he can check this software.

Leonfluf - December 15, 2016, 7:56 am

Yeah you have on other forums +rep's but not here and you could just be a faker.

GtfoGive me link.

Armada - December 17, 2016, 10:17 am

Wrong section, and its already freely available off of a google search.

Get out.

Then you are more retarded than this post.

Xx_iDon_xX - December 20, 2016, 12:47 pm

i think he a scammer lol, free but 50?

magic 3211 - December 20, 2016, 9:59 pm

seems a little bit sketch but yea

sokrat00 - December 21, 2016, 7:49 am

how you gurntee for me all of this !
