No sorry. I pay BTC.

Tid?es - December 14, 2016, 9:18 pm

Purchased 1 PSN code, OP claims he's looking through his files to find the code. Lets see how this goes.

I don't see his open scam report. Either way i'll give him a chance to respond with the code within 20 minutes. He claims he'll refund me if he can't find it, lets see if he follows through :)
