Thread: [\[Dankmemes.exe\] \\$25 Amazon Card Giveaway \(US Card\)](#)

BR?ND?N - December 15, 2016, 2:13 am

In honor of the very successful launch of our YouTube channel, I have decided to do a little giveaway for \$25 (Amazon Card, US). Tell me why you deserve it and what you'll do with it. Best answer wins. I'll leave it open until I find the best response. This will be a quick giveaway

1. No active scam reports
- 2.If you and I had problems in the past, don't think I'm giving you free money.
- 3.It would be cool if you checked out the channel by clicking the banner, and maybe sub or something. I mean, just saying.

You understand how hard that is or no? I have given away multiple amazon cards here on HF. I know you dislike me so you make an effort to hate on every single thing I do but you know you hit a low when you hate on a giveaway thread. I own the card.

Now go invade Poland or something.

A NEW ERA... - December 15, 2016, 10:05 am

I'll be using it towards my streaming career, i've been trying to gather enough money to purchase a few more things and honestly it would help me out so much towards my dream of YouTube / Streaming.

1. Why I deserve it:

I have been contributing to the HF community from the very beginning of my tenure. It can be in the IT section, suggestions for improving HF, Giveaways, In lounge chatting with my friends, Gaming and last but not the least in the Monetizing section with some unique earning methods.

I earned L33T, UB3R & 3P1C by winning competitions only! People have recognized my hard work earlier too! I can easily say; HF is my second home now!

The general services that I have offered to the community are -

- ? Content Writing / Home Work Services ?
- ? Assignments regarding MS Office ?
- ? Managing Official Group Activities ?
- ? Thread Designing (Not graphics; rather making it interesting) ?

2. What I will do with the card:

I have an Amazon India account. Otherwise would have gladly used it on my account only. Moreover, I am trying to collect maximum cash to pay off my mother's ongoing medical bills. She is in to Dementia. Frankly, will search for a decent buyer and will sell it off.
