Yeah I got FC3:BD, The Crew (tbh that was the best one offered I guess)
AC3 was also good but already had it.

Stashyy - December 15, 2016, 11:03 am

All i needed was blood dragon.
thanks for linking this. ;)

Inmodwetrust - December 15, 2016, 11:04 am

I forgot about this, thanks for the reminder dude!

Already have it, played almost all games from the series
Conviction's storyline was lit af and Blacklist's gameplay was pretty improved and good.
Waiting for Wildlands (not in the SC franchise but Tom Clancy regardless)
