Dunno if you're serious. If you are, then that wasn't me. Just walked in literal whiteout conditions for an hour. If you're a troll then kindly fuck off because I'm not in the mood.

A + - December 15, 2016, 2:07 pm

I have handed Minimalist well over \$100 using his middleman service multiple times. He's a good dude. I don't see him scamming for \$100.
