Thread: [LOOKING FOR SOMEONE TO MAKE PRODUCT TITLES](#)

ILY ? - December 16, 2016, 3:47 am

I'm looking for someone to assist me in coming up with product titles for my products. I did a lot. And a lot to do also.

If you have:

1. Great English Fluency.
2. Great Vocab.
3. Creativity.
4. Knowledge of Colors, Patterns, and Flower names.

Then hit me up!

Paying around \$5 per 100 product titles. If user showed great potentials price will rise.

Have a nice day. ?

Something came up. I gotta contact you privately about this. I tried to PM you but it seems that you private messaging disabled. Do you have an email or Wickr so that I could talk to you about this?
