Dude, I would fucking love this so much. I play whenever I am browsing HF but only have a few mill to play with - can't afford mems but I have played since 2006.

Thank you so much for the giveaway!

Tsunfire - December 16, 2016, 8:09 am

I recently got back into the game due to nostalgia and I'd love to utilize this gold to boost my stats and grind while I'm still on break! I appreciate the giveaway man. Although I believe Jan1st is when I get back. Hopefully my stats will be good enough by then to enjoy the game to the fullest.

F?cgle?? - December 16, 2016, 8:12 am

It'd be nice to get back in to RS to kill some time every once in a while. Maybe I'll be able to use it to make more and start selling it. I dunno.

Thanks for teh giveaway OP. ?

Korvo - December 16, 2016, 8:13 am

Such an awesome giveaway! This gold would be extremely useful to me as I could get my long term goal of 99 range. I have been wanting 99 range since I started playing RS back in 2001, but I have never been able to afford it. Also I would help out another fellow member or two who need to get members as well, paying it forward is always good karma & it's great having more people to play with. I wish the best of luck to everyone else who enters, & thank you very much for being so kind and doing this OP!

SparkMasterTape - December 16, 2016, 8:13 am

Hi I'd like to enter, I need the money because I want to start playing again. I've played for 4 years but I got reset so I've got nothing.

Allison Argent - December 16, 2016, 8:26 am

I would like the gold to be able to finish of 99 construction (90-99 = 64m), then look at buying supplies for other 99's in stock, crafting/herblore being the 2 priorities.

Then whatever gold is leftover i'll pass to a random user on this thread.

An?iety - December 16, 2016, 8:27 am

ill enter this giveaway hell ya boi

Dean Winchester? - December 16, 2016, 9:15 am

Oh wow winning this would be absolutely sick, I need the gold because my account was hacked back a couple of months ago and I haven't been able to reach the point I was at before it got hacked, I've gotten most of the items that I need but the rest of the items are worth quite a lot so getting them would require more cash than I currently have.

I was thinking about purchasing some gold but maybe I should wait and see if I win this or not :D

Thanks a lot for the opportunity, you're great

God of Thunder - December 16, 2016, 9:16 am

If I somehow win this giveaway, it would help me reach my goals of PVMing in good gear. For centuries I have used welfare gear to train slayer, and you could probably help me get over that fact. xD

Regardless of my reason, thanks a lot for doing this giveaway in the spirit of Christmas and new years! :)

Redwall - December 16, 2016, 9:20 am

I need the gold because I am a poor fuck and I need \$\$\$\$\$\$?

Duradel - December 16, 2016, 9:35 am

(Dec 16, 2016 10:34 AM)- Sam - Wrote: [\[CITE\]](#) I would love the gold because a while back someone I trusted dearly stole everything I had on my account. Which stopped me from having the motivation to play. My goal was to get 99 slayer with 1 def, which means the best in slot gear will cost roughly 100m so I gave up. Would love to start playing again. ?

That actually is my current goal right now, just will be leveling mage and range with 99 slayer . LMK what you think ?

Jesterino - December 16, 2016, 10:16 am

I'd probably sell the gold for money if I was to win. My chances are pretty slim but it's worth a shot.

Thank you for the giveaway.

Fantod - December 16, 2016, 10:17 am

Lex - December 16, 2016, 11:19 pm

Just started playing RuneScape again, after quitting over seven years ago. My last memory of RuneScape, back in the day, was getting lured for my full bandos and Red Halloween Mask. Definitely was one of the worst moments in my entire gaming career. It would be awesome to be as wealthy as I was back in the day. Whether or not I win this contest though, I am just glad I was able to put the past behind me and pick up RuneScape again.

Thanks for the awesome giveaway, good luck to everyone.

Eboz - December 16, 2016, 11:27 pm

Very much appreciate your contribution to the Runescape community.

Reason Why I Could Use Some Gold - Have moved from botting 24/7 to finally playing legit. Have to say that I'm honestly loving the game a lot more than before now that I'm playing this way. To make my experience better, some start up cash would really do me wonders. Now I'm not a greedy person, and I as its getting closer to the holidays, I'd want to share part of my winnings with some of those who really really need it; as I do.

IF I WIN -

25m - Keeping 5m to myself and sharing the love with 4 other players.

55m - Keeping 7.5m to myself and sharing the love with 7 other players.

120m - Keeping 10m to myself and sharing the love with 14 other players.

Once again I'd like to thank you for your contribution and holiday love to the Runescape community. And I wish everyone the best of luck.

~Merry Christmas & a Happy New Years HF!

Would also like to add after reviewing the posts on this thread. More than half of the users on here

have enough money to buy cash stacks on cash stacks. And not just talking out of my neck, I've done business with quiet a few of these people. And I know that I'm not the only one who has done business with them; that being said, I know they have money and they really should not be so greedy and give those in need a chance to come up.

R?????obert - December 16, 2016, 11:31 pm

So I can stake it all ? I'd need it to play and buy some items though

Mr.Peanut - December 16, 2016, 11:33 pm

Mr. Corleone - December 17, 2016, 4:22 am

Posting to enter, I deserve to win this because I've recently gotten like 75+ in most comb stats, and also 75+ slayer, and got my bgloves but I'm still playing with dragon platelegs and whip and torso lmao.

If I get this money I'd definitely invest it in good gear and grind slayer and make more. Thanks for the giveaway :)

I could use this. More or less lost several high risk fights after getting addicted to them due to moderate early success. I'd love a reason to start playing actively again, instead of just logging on to see an broke boy bank and going offline lol.

This is so great you're doing this! Well, I could surely use the gold. I'm sure as many people would say they have been hacked or scammed and such, I have also been hacked. It was quite discouraging and as I deal with depression this is one outlet and being hacked for all my items and gold was very discouraging. (Don't mean to get too deep) but I've been playing this game for awhile and it has helped me through some rough times. Even if I didn't get top 3, any amount I would be so grateful for.

Thank you!

Auswilly - December 17, 2016, 7:52 pm

This would be dope. I have no gold on my main and haven't played in a while. I've recently opened up a services thread and the gold could be used to get some starter supplies to start helping people or maybe just come back around to the game. Regardless, what a generous event to hold for the community! Well done, it's what it's all about.

I'd just like a head start on stat levels since this is for 07 as I still haven't gotten into 07 even though my RS3 account is decent. I've wanted to go back to 07 as I've played this game for quite awhile but honestly I just didn't want to start from scratch.

Not a very good reason, but I am being honest.

Anyways thanks in advanced for the giveaway,
Nishi

Posting for a chance to get some gp's.

Loses - December 24, 2016, 9:03 pm

Gotta stake it and make more money bro! That's what most of the population would say if they weren't lying.

Honestly tho I just like to grind my skills out, it's fun when I have time, and school is out so why not..

Even a mil would help tbh. Pretty high stats tho, shits expensive xD

vicvance20 - December 24, 2016, 9:03 pm

Posting so I can make bank again

Ordium - December 25, 2016, 12:25 am

I don't deserve the money more than anyone else in this thread, but I would like any of the gold values in order to speed up the process of generating AFK-able money making methods (Varrock Elite diaries, Throne of Misc + Royal Trouble, 99 cooking, etc) in order to host more giveaways in F2P with my clan.

zombiepro1 - December 25, 2016, 12:26 am

????? ?? ??? - December 27, 2016, 4:20 am

after many years of playing this game (10 years to be exact) i never really made it past 20m, and when i did it would be gone in a short period of time from bad luck. I never really had a nice cash stack and would always try to grind money or just play the game as it is and let the money come but never saw it. anyways, I'd like to win some sort of money to futher develop my current account which i have started fresh and want to make it into a high level main in which i can be proud of, currently close to 70/70/70 stats. thanks

Dar?k - January 2, 2017, 4:09 am

Not entering but asking how much longer this giveaway will be available? This has been open for 2 weeks now and there are still no winners picked....

This thread also has 17 sites of people that entered this giveaway and you still don't want to pick the winners, even though you said that you would pick them on 1.1.2017..

Sounds to me that you are just delaying to get more reputation from the event but that's none of my business ?

Allison Argent - January 3, 2017, 4:05 am

Just popping by to see, what day are you going to be ending this event then?

Dean Winchester? - January 3, 2017, 4:08 am

Why extend it? You have more than enough people entered, I'd say a 1% chance of winning is low enough

A few more people could've easily had the time to join within the last 2 days

I mean it's nice of you to do this and all but you also have to go through with it when you say you are, or the giveaway loses some credibility..
