Posting to join.

Lust is when you have the strong desire to obtaining something.

Online Sir - December 16, 2016, 10:58 pm

Lust is an overwhelming desire or a craving for something. E.g. I feel the lust of winning this contest.

I do watch anime when I have time. I am really into Naruto and do watch some other shows like One Piece and Death Note.

Goodluck all and this is my post to enter!

Yes, I've began watching Anime last month. It's quite intriguing.

For me lust is just a feature of wanting to have sex.

combovirus - December 17, 2016, 11:50 pm
