Thread: [xbox One GOW 4 Ultimate Edition Give a Way](#)

iGoodkat - December 16, 2016, 8:09 pm

I bought the game when it first came out and I went out and bought a GOW Xbox a couple weeks ago. Well this game came with it and have no use for it. So I figured I'd give it away. I will use the Random.org generator and whatever number it picks, that will be the winner. I will take up to 25 people, so just let me know what number you want from 1-25
