Christmas Tree

We only got our Christmas tree up a week ago. Sharing a picture of it if you guys feel like it post a picture of the Christmas trees at your house. We've been using this one the last three years and its really beautiful. Photo doesn't do it justice.

Beautiful tree. I like how it's different from the basic Christmas has more of a modern winter fall look to it.

SIM-403479 - December 17, 2016, 1:51 am

Nice tree you got there.

Your awards look better though!

NYCVN - December 17, 2016, 3:04 am

It's funny because people think I could fit a Christmas tree into my dorm.

I would totally get a green Christmas though, y'know, classic.
