To celebrate the launch of my new panel: <https://hackforums.net/showthread.php?tid=5496857>

I will be giving away \$50c of credit to all members

Simply signup here: <http://getfamo.us/panel>

And then comment your username here (or PM me if you prefer) and I will add the credits for you

This can then be redeemed on a variety of different services, view the link above to see full list/pricing

Note: If you have already received the \$1 giveaway from the sales thread then you can not redeem this as well
