Thread: [EXTREMELY slow loading times](#)

Sadistic - December 18, 2016, 12:06 am

Am I the only one experiencing extremely slow loading times? Sometimes over 15 seconds loading times.

Also, where is that PHP script that Omni uploaded to show loading times?

Bluffer - December 18, 2016, 12:20 am

Loading really fast on my 150MBPS actually.

J?son - December 18, 2016, 12:26 am

Loading really fast on my 50kb/s actually.

Abdul.HF - December 18, 2016, 12:27 am

same here. Its loading faster as usual. May be your internet have some problem

liam270591 - December 18, 2016, 5:11 am

I am having very slow loading times, UK - ISP talk talk. Net speed 130MBPS

1 second for me, plus HF still loads great on my capped net

Omniscient - December 18, 2016, 11:31 am

Likely it's your own problem or simply an edge issue with Cloudflare.

We're running 100%.

Portugal - December 18, 2016, 11:33 am

I'm not experiencing any issues either.

Sadistic - December 18, 2016, 1:51 pm

Seems to be back to normal, no more 15 second loading times.
