Thread: [Am I allowed to sell this type of giftcard?](#)

Ultra Instinct - December 18, 2016, 9:34 am

I have a Newegg gift card and I was wondering if they are allowed to be sold on here?

I don't see any reason why you wouldn't be able to, as long as you obtained it legitimately.

They should be fine to be sold here. But, I feel you may have more success on [bitcointalk.org](#)

I just did a quick read through the disallowed blackhat activity part of the [Help Docs](#) and I think this will be allowed as long as you aren't frauding anybody.

I'd say this allowed, mate.

I'm not sure why this wouldn't be.

As long as the card isn't Fraudulently obtained, you should be allowed to..

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.
