BTB™ - December 19, 2016, 9:16 am

Why I want (need) 20\$?

I have got a job now, but my mom is not well since last 6 months. Actually, doctors say, she can't be normal again. ? She has gone in to Dementia - loss of memory. Her body is paralysed. I love my mom and will treat her till my last breath. I am still incurring huge medical bills; at times my job is not sufficient for the same. In case I win this contest, the winning amount would really help me.

Last but not the least; thanks a ton for organizing this contest! ?
