Thread: [How do i create a Account without the "Live" in the username?](#)

TheSpotifyKing - December 22, 2016, 7:40 am

Is this still possible to do? if so how? ?

Tsunfire - December 22, 2016, 4:33 pm

Simply find the old Skype client and create a user account.

Alright imma try finding it.

Katarina Du Couteau - December 23, 2016, 5:26 am

I think there was a guide on here + dl link for the legacy Client
