For those of you celebrating Christmas this year I wish you all the best, as for those celebrating new years I hope you have a gudden!

For those of you not celebrating anything; take your head out your ass and stop being a miserable cunt. (except the Chinese, you motherfuckers got your own new years thing going on)

And for those of you who are already celebrating ?

P.S. I dunno why I celebrate Christmas I have no affiliation with religion. Traditionalist? Maybe.

You don't need an affiliation with religion to celebrate Christmas. I know many atheists who celebrate it.

Merry Christmas to you too.
