PM or post for the guide / link / ebook.

I am giving this away because I don't have time to use it and I don't think anyone should pay \$100 for this method.

Don't follow me around everywhere I go. I don't give a fuck about your opinion.

You try to cause arguments because you have no friends you socially abrupt nerd.

Sent you a PM regarding this!

Thanks! ?

I'm not asking for you to care about my opinion, I am asking if it follows HF rules and if you have permission to give this away.
