There's a thread on here with the websites embedded in the "website number #", I don't know where it is not can search for it (on my phone) but yeah. I'd suggest you linking that thread if you can find it =P

Excellent tutorial my dude ?

I want to say I read this when I first started ewhoring and it helped me make quite a few freebies ?

? [\$(1000)\$] ? - December 23, 2016, 9:07 am

No problem guys. I had it saved and been seen many new threads asking how to do this.

As stated it is not my guide I am just sharing it!

**react** - December 29, 2016, 10:20 am

Bump. Great guide, thanks for sharing \$1000. You da real
