<https://www.bustabit.com/user/BitcoinBank>

All you new kids arn't paying my boy Blackshadow enough respect.

He is the TRUE OG of this forum. He is the IDEAL member of hackforums.

Before you make fun of blackshow let me ask you.

Did you come up with the idea of a dildo factory?

Did Qwazz give you the STAR award?

Did you get drunk with your priest?

Did you ask omni to delete over 20 awards from your account?

Did you ever become the highest member with the most reputation?

Did you have the most awards out of anyone on this forum?

Did you have a spider fall on your dick and made a thread on HF about it?

Did you live over 50 years and spent over 7 months on this forum?

HAVE YOU BEEN TO PRISON FOR 7 MONTHS?

HAVE YOU SWITCHED FROM BEING A DEVOTED CATHOLIC TO AN ATHEIST?

HAVE YOU WON \$5000 FROM PLAYING POKER?

HAVE YOU TAKEN STEROIDS BEFORE?

HAVE YOU GOT A \$60,000 FINE FROM COURT?

HAVE YOU BEEN MARRIED OVER 12 YEARS?

HAVE YOU EVER HAD A EGG AS BIG AS THIS?

Unless you answered yes to all of my questions you can not talk about my boy BS.

He IS A LIVING FUCKING LEGEND OF THIS FORUM and the next time I see a thread questioning or hating on him I will flip.

Trappy - December 23, 2016, 5:50 pm

Was going to post something like this, didn't want to get flamed.

Black Shadow has been put under scrutiny and has been unfairly treated, the man has scam reports however he's got an actual life and can't respond to everything immediately (At his brothers, broke his finger).

He is a bitcoin and gambling mastermind and has taken losses to perfect his method, his scripts are flawless and he has experience. I assume Black Shadow is russian, meaning he hacked the U.S election, the man is a proven blackhat mastermind and is not to be messed with.

Here in my garage, just bought this new Lamborghini here. It's fun to drive up here in the Hollywood hills. But you know what I like more than materialistic things? Ebooks. In fact, I'm a lot more proud of these unsaturated bustabit methods that go with my collection of scripts. It's like the billionaire Black Shadow says, "the more you bet, the more you get."

Vitani - December 28, 2016, 3:30 am

Seriously though guys, I think I may have cracked the case.
if you take the first letters from both "Black" and "Shadow" you get "BS".
BS is, as many of you know, the abbreviation of the word BullShit.

What if this whole bustabit addiction drama was black shadows masterplan all along?
He has been here for a loongg time and maybe he just wanted to troll the whole community over the timecourse of a year.

I actually found proof of this, you can check it in this spoiler.
