You better not scam, you better not try  
You better not troll I'm telling you why  
Omni Claus is banning tonight  
He's making a list, he's scanning it twice  
He's gonna find out who's a multi or not,  
Omni Claus is banning tonight!

He sees your post activity,  
He knows your last IP,  
He knows if you've just created a new account  
So just stick with one for goodness sake.

O' you better not RAT,  
You better not flame,  
You better not boot I'm telling you why..

BECAUSE OMNI CLAUS IS BANNING TONIGHT!!
