Thread: [Gaming community - H1z1 / csgo / rainbowsix siege / fps / mmo \(join\)](#)

Lufasu - December 24, 2016, 7:50 am

Okay so , me and my friends are playing a lot of games , i'm playing the most :D
We started to play H1z1 , rainbow six siege , runescape and more .

So We are looking for players to play with them daily , its not a clan .

For now our most playable games -

H1z1

Rainbow six siege

CSGO

alot of mmo's (me)

If you want to join , feel free to.

We are talking in voice chat and playing for fun :)!

<https://6rBu9Ss> - Discord link :).

Today we gonna play some h1z1 and probably rainbow six.

I joined. I'm looking as well to find some people to play online with. It's harder on PC games than it was on Halo 2 and Halo 3 back in the day

Lufasu - December 26, 2016, 12:39 pm

Nice to see you all in guys :)!

we played today h1z1 and now we are playing some rainbow :D
