Thread: [Cusar sell AGC Carded userID = 2009269](#)

d3vi0s - December 24, 2016, 11:14 pm

I bought him \$ 175 Amazon Gift Card and he sent me 2 code Gift. par value: \$ 125 and \$ 50. I used the card \$ 50 and \$ 125 card has been locked.

MCKR-DAQR67-7KLZ

I feel the burn doubt and contact Amazon department, they told me that the gift card has been repaid by the buyer, therefore he had sold me a gift card for food grade. I propose settlement
