3 month acc
farmed rep
very few transactions

research who you are sending your money to

I believe he bought my jacker and tried to spread the method, always thought of him as a sketchy person.

Sorry for your loss OP.

For the first time the transaction is very good, the second time you told me that you have \$ 200 AGC and I moved \$ 150 btc for you, then you delete the message Skype and scammed me

You are dog shit

Jarus - December 28, 2016, 3:31 am

You are mistaken with me and another member, Enjoy your ban also multi-accounter.

ShallowME - December 30, 2016, 11:53 am

Sorry to see you get scammed OP. Hopefully you will get your money back which is highly unlikely in this case.
