I wish you included normal users for this , really need one badly ...lol

HostSlayer - December 27, 2016, 7:54 am

my thoughts about xmas is more about darkness.

Some people find it joyful, but most of my friends its a dark time and wish they could go past it. A lot of family issues and troubles.

I personally, like it because its the end of a year :P

I love giving my friends gifts and celebrating with them.

Not related to Christmas, but I love my annual 12:00 new years joint on the beach.

Christmas is great. People love it for presents but honestly it's pretty special to spend with family.

Wow I'm deep.

Thanks for this OP.
