Hmmm...No source, no party

HFDone - December 26, 2016, 1:14 pm

not going to convert all those function from js to net

Zilog80 - December 26, 2016, 1:17 pm

Lol...thats your problem not mine/us ?

HFDone - December 26, 2016, 1:25 pm

did you read the title when you enter this thread or you dont know what is crypto

No, I highly doubt that anyone knows what "crypto" is.

I think that some knows what "crypto" is, however.

Ah I see, he made a wrapper or w/e for that site.

HFDone - December 27, 2016, 3:50 pm

its the only way to use it try to decompile it and see what you get

xHeaven - December 27, 2016, 6:31 pm

Here is the "source". <https://www.sendspace.com/file/vydpe2>

Fix some errors & fine.
