I'm getting an Xbox One soon just so I can mostly play Master Chief Collection if the multiplayer is still busy and Halo 5 as well.

If you want to post your favourite memories or soundtracks from any of the Halo games in this thread, then feel free to do so. It would be nice to see some appreciation for this amazing game. ?

I was putting up my Xbox 360 on Ebay and I had to go back on Halo 3 to listen to the Main menu soundtracks, so powerful, i hate 343i.
