I have no experience myself but err.. watch out for STD's

Being a hooker is illegal so I don't think they would care.
I just don't recommend doing it.

Most hookers use contraception. They don't do bareback.

Well, wait a minute. I think he may be looking for true love. A lovely flower he can pick at some sacred moment. A virgin maid he'll bear to the altar. That sort of thing.

depending on how you go about finding a hooker. lul

crack whores wouldn't.

although finding hookers on eccie etc maybe not so possible, cause verification process:P
^some experience ;d

XEHN - December 28, 2016, 7:36 pm

Go somewhere prostitution is legal or else I'm going to advise you to not do it.

Netherlands is pretty chill for those things and I doubt they care about your age if you show up with a roll of money, and I guess you could just lie about your age because I doubt a prostitute is going to report something like that to the police lmao.

You could get one of you were twelve. The real question you should be asking is "Should I?"

Haha this ^^ Well said ?

thrudda - December 28, 2016, 8:19 pm

I believe you are able to do so as long you have the cash. You might want to read up on some basic stuff like wearing a condom and all that.

You mean no back-alley prostitute will turn down a wallet? ?

PlanktonRunsWild - December 28, 2016, 8:30 pm

A Hooker is like a raccoon, would you approach a wild raccoon? not likely. a raccoon can possibly have rabies, a hooker can also cary many incurable diseases.

Dude, let me tell you this: Do you want your dick sucked by some slut who sucks 50 cocks a day or had that many inside of her in a day? i doubt it.
