Thread: [PHP Beginner's guide\(Ebook\)](#)

fr33 - March 1, 2009, 5:13 pm

No matter which way you cut it, PHP is pretty amazing: a language strung together by volunteer programmers that today has the enviable distinction of being in use on more than a third of the planet's Web servers. Flexible, scalable, extensible, stable, open—PHP is all of these and more, which is why it's one of the most popular programming tool kits in the world.

PHP A Beginner's guide

Unfaithful - May 22, 2010, 8:28 am

Great books!!'ve learned PHP couple of years ago from the first book!

Stuxnet - May 23, 2010, 9:27 am

Thanks for them links I will add them to my pile I have already.

Boxxy - May 23, 2010, 10:18 am

Nice, Thanks for the share mate. Too bad already learned php ^_^ This will help others though, so yeah nice share.

bennoxxx - August 22, 2010, 7:09 pm

what is the best language to start with if you're just starting with webdesign and have no prior programming knowledge?

SWS - August 22, 2010, 9:44 pm

Great books!!'ve learned PHP couple of years ago from the first book!

uudz - September 30, 2010, 8:40 pm

great., thanks. . . , i'm diving into PHP right now. . . .

J0NYGADDAR - April 26, 2011, 4:55 am

great..., thnx .,.,,nice job you work keep it up

Argilla - June 2, 2011, 11:40 am

About to download, thanks for the links, will be looking forward to expanding my knowledge

cookiemonster9999 - June 4, 2011, 11:08 am

thanks :D gonna read it rightnow ^^

Skaarup - June 4, 2011, 1:25 pm

Thanks for the books! now im up on 9 books i have to read next week when im gonna speed learn php :)

-DMT- - July 26, 2011, 12:22 pm

I must say again exsletn thanks for sharing

guys its worth ing thuis hthread it HQ

Romega - July 26, 2011, 1:47 pm

Thanks, this will come in handy :)

Trapstar30 - August 4, 2011, 1:54 pm

Thanks man good books I'm downloading them right now

fl3x - August 4, 2011, 3:31 pm

O'Reilly books are betterrrr :3

robincomp - October 20, 2011, 1:39 pm

Thanks for this. Downloading now. Whyisdiswai2sh00rt

HyperText - October 23, 2011, 9:54 pm

Downloading now! Thanks heaps I really need to learn php.

Pioneer - October 25, 2011, 12:19 pm

Thank you, bookmarked :-)

Seems good.

AdvertisePulse - October 25, 2011, 1:46 pm

Thanks for the books. Downloading these now :)

marlin37 - October 25, 2011, 4:50 pm

thanks, i downloaded the first book mentioned, easy to read

Sithis - October 27, 2011, 2:20 am

Thanks for the share. I have downloaded them all.

hackhack69 - October 27, 2011, 6:15 am

very nice..good ebooks.but i wonder how to save php file my wamp server.please help

Draako - February 21, 2015, 10:19 am

Please update link, I need this ebook.

Thanks advance..

Renegade - February 22, 2015, 2:26 am

Thank you, Glad I didn't need to wait for a PM.
