Only the Jewish MMs require fees. (Like myself)

The zero fee MMs only middleman to help minimize scams. They do it out of the kindness of their hearts. Kappa

Its not like middlemanning requires much effort.

Yeah the fees are ridiculous there and it's still sketchy in my opinion.

I'd rather users not be scammed and provide a free service. Better for the overall community and doesn't scare new people away.

How's that mines thing work? I get the just but does it actually pay and ive played the original game but i feel like im missing something. Got any literature or suggestions to brush up on so i can be on the same level or at least understand more or be able to learn and pull my own weight im here to learn and gain experience. I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.
