If there's any vouch copies I'd be happy to write a review for you. Let me know!

NinjaLeaks - December 29, 2016, 8:39 pm

Good luck with sales op, I would recommend posting some proof or giving some vouch copies away.

Yes, I'm in the process of giving vouch copies away to provide proof it works.

Scumbag - December 29, 2016, 8:47 pm

Received the vouch copy, there is a lot of good information here for only 3\$. A lot of stuff on here, I did not know - but I am kicking myself for not thinking of it sooner. Tried one of the things on here and already gained a few followers. Thanks OP, full vouch from me.

A NEW ERA... - December 29, 2016, 8:49 pm

I'm currently growing a stat account right now, if you have any more vouch copies that I could use on my account i'd leave good feedback.
