That looks amazing, good job man

Aptyp - December 30, 2016, 8:17 am

how do you do vector art? Pm me help

Rin™ - December 30, 2016, 9:20 am

Looks really good who was modeled after this?

Diploma - December 30, 2016, 9:21 am

You're very very talented. Keep up the good work and try to get even better than you already are.

Thanks ! She is a Filipina freelance model I think ? hahah her name is Shane Ramos

white dude - December 30, 2016, 11:32 am

Hot chicks, half naked, hell yeah man.

Nyxuo - December 30, 2016, 11:40 am

Bruh your logo. Please for the love of us all change it.

This one clean as fuck. I really like everything on it except the model on the right. I believe her leg
looks weird the way you have the colors split. It almost looks like gradient banding.

Very nice! Made real nice color use in the hair layering.

NineTheGhoul - January 1, 2017, 9:10 am

solid work, OP

I like the touch-ups that sort of make the subjects glow

kariuki - January 3, 2017, 1:09 pm

I love what you did here with the the characters. I feel like the bg could be changed/better.
