Ruger SR1911

Nomad.Null - January 7, 2017, 9:06 pm

Ruger .45 ACP modeled after a Colt 1911. Nickel plated I presume? Very nice. I own a similar model made by Browning. Good choice for home defense imho, if you prefer a handgun to a shotgun. .45 ACP will stop just about anything.

Not sure why everyone is being such cock-gobblers about him getting a pistol. Pretty easy to do in America when you're over 21 and an up-standing citizen. :)

Kinda sad how easy it is to get a firearm here, however if you're of legal age and don't have a record or anything mentally wrong with you, you should be allowed to buy one.
