I have:

Sacred Fire - April 2009 - 90 Credits

Totem Planet - 305 Credits

Totem Spirit head - May 2009 - 520 Credits

Fire Dragon Lamp - 74 Credits

= 989 Credits

Looking to sell these items what are they worth? I don't really know how much credits are worth use to play this years ago and found my old account with these items

A gb is worth around \$2-3 depending who you buy off

I sell all my GBs here for 1.7 each.

The max you can probably get is 2\$ it just depends how quick you want to get rid.

Selling mine at 1.7 took a week. I would sell yours for 34\$.
