Thread: [Possible to remove awards? / Hide Leet?](#)

Kubaa - December 31, 2016, 5:20 pm

Is it possible for me to hide my LEET user bar and just display the normal member one?

Also would Omni remove awards if asked?
?

Awards - Yes.

L33t - I don't think so.

Also I don't know why you made a thread. Just PM Omniscient.

Because I don't want to bother Omni with this question when it can be answered by other members/mentors/staff

Omni doesn't like this kind of stuff pmed to him.

What's the point really? And I doubt he'd remove awards on request.

Also no you can not hide L33T to appear as a regular member. Although if you are UB3R and also have 3PIC you can change your default usergroup so you can have your name appear grey or blue.

Because his pms are for serious stuff only.
