eCoLoGy - December 31, 2016, 11:29 pm

Hey guys,

To start the new year well I decided to sell the other sector in my group, Baka.
The price is 500\$ BTC only.
I can take payment plans of 100\$/month also.

Happy new year! ?

the subforum would be locked so unless you want them to talk in it they can't.

No. This is a great opportunity that I jumped on as quick as possible. I now run WallFlower in Baka and it is very successful!

Anime group.

But the subforum for sale can be anything the buyer wants it to be.

Just like WallFlower, the other subforum of the group is nothing related to anime.
