Clegane - January 3, 2017, 11:34 am

Got my free ride very quickly from this guy, best \$3 I've spent in my opinion. Huge vouch from me mate. Just about to order another \$20 worth of rides from him so I'll see how that goes and update back here. For now tho, definitely thumbs up from me ?

Da Mango - January 3, 2017, 6:39 pm

Orders are flowing in! We are working our hardest to get as many referrals done as possible. PM me for support or for any question :).

throwaway5 - January 3, 2017, 11:55 pm

How do you get the referrals?

I buy uber rides very regularly.

Got skype?

Gatt - January 4, 2017, 5:14 am

i want to buy but i kept getting free rides in mexico while I dont even live there

Mixal - January 4, 2017, 5:56 am

Can you use this for rides or just food?

Drizzled - January 4, 2017, 6:16 am

What is the estimated discount for ubereats? I may be interested. Thanks man.

Silent Militant - January 4, 2017, 6:36 am

How long does the Referrals stay in your account? Do they expire?

Da Mango - January 4, 2017, 12:49 pm

(Jan 4, 2017 06:14 AM)Gatt Wrote: [\[CITE\]](#) i want to buy but i kept getting free rides in mexico while I dont even live thereThat's weird. I'm not sure how that relates to this service.

(Jan 4, 2017 06:56 AM)Mixal Wrote: [\[CITE\]](#) Can you use this for rides or just food?These referrals work for both rides and food.

In Canada, it is \$10, and in the U.S. I believe it is \$15.

(Jan 4, 2017 07:36 AM)???!?!+™ Wrote: [\[CITE\]](#) How long does the Referrals stay in your account? Do they expire?Yes they expire. They should be used within 3 months. I recommend getting less than 10 referrals if you do not ride regularly.

PhunPhunds - January 4, 2017, 2:21 pm

Super fast service! Polite and accurate dealings. Will be buying again for sure!

dreams - January 4, 2017, 5:45 pm

Bought 9, will be buying 20 per day if all good, thx

raf_ - January 6, 2017, 3:19 am

What is the value of one ubereats referral?
and do these stack on uber eats?
or are you still doing the pay 50% of order cost deal?
Thanks. I'm in Australia if it makes a difference.

Da Mango - January 6, 2017, 7:15 am

The value of the ubereats referral is equal to the value of the uber referral. This depends on your country.

Unfortunately, codes do not stack.

That service is closed as of now unfortunately.

Open the Uber app and go to "Free Rides" and it will show you the value of each referral for your region.

Thanks for the great questions! Hopefully my answers were clear.
Don't hesitate to PM me or post below if you have any questions!

Small Edit for Clarification: We can deliver both Ubereats or Uber referrals, but in many countries, Uber referrals have a higher value and can be used in Eats anyway.

iBangSoccerMoms - January 6, 2017, 8:49 pm

Delivery within a few hours! Love this guy. Fastest uber delivery on the forum :-)

All will go well for sure!

As of today, our queue length is HUGE. Due to the timing of both our exams we will not be able to deliver safe and high quality referrals to new customers. In order to keep the integrity of this service, we will be completing the current orders over the following week and will be closing this thread until then.

Thanks to all that have purchased! Your orders will be completed soon. I send followup PM's to those who purchase large orders in order to keep them updated.

Sorry to anyone who wanted to purchase. You can PM me or Eviscerate and check the status of our queue at any time to see if we can squeeze you in.

We will be back soon.

We are still on exams, therefore please keep in mind our speeds will not be at its fullest potential until we are both done. We have a moderate queue right now along with school thus we must keep this service to a minimal before serving more customers! If you have any questions please PM Da Mango or me!

We don't offer discounts because our prices are already quite low (that's just my opinion).

However, we do over deliver most times on bulk purchases. ?
