--

I have been a member of HF for quite a long time but have never held a proper contest. So here we go!

In this contest you have the possibility of winning a registration/transfer of the domain of your choice. Prizes are as follows:

MAIN PRIZE: 5x .com/.net registration or transfer

SECONDARY PRIZES: 20x .eu/.pw registration

TOTAL: 25 prizes - 25 lucky winners

Rules: Post to this thread to entry.

Max two entries per person.

The two entries can not be on the same page.

No open scam reports.

You may yourself decide which TLD you want. E.g: you win the main prize --> you may choose whether you want .com or .net.

Note: In order to be eligible for .eu you need to live in the EU.

The contest will last until the 12th of January. The winner will be chosen with the use of random.org. The post number will be your entry.

Domains will be purchased from [sourceress.net](#) and pushed onto your account.

Happy contesting!
