FAQ

Does this Work For My country ?

[*] US/UK (T-Mobile)/Canada should all work great. Other countries may work but have not been tested.

You can also easily add any carriers that are not already added we Provide you sites to get the api relevent to your country. Panel comes default with Verizon, T-Mobile (US), AT&T, and Sprint.

If you have any further questions. Please Contact us on Skype or P.m

Riyu - January 2, 2017, 12:58 pm

Great looking program. Good luck with sales man

b?xxy - January 2, 2017, 12:58 pm

So I can do 1,000 messages, and then another 1,000 after right?

High On Quack - January 2, 2017, 12:58 pm

Glad to be partnered with Tom Cruise for this product now.

Thanks for the Great Feedback Mats000 ?

US/UK (T-Mobile)/Canada should all work great we have tested. Other countries . And other countries will work but have not been tested By us.

You can also easily add any carriers that are not already added. Panel comes default with Verizon, T-Mobile (US), AT&T, and Sprint If you Have a private Source You to get Sms gateway API you can easily add to the system and Bomb . Or else we will be providing 2 Sites where you can Locate and get sms gateway apis Free of charge

if you have any further questions Feel Free to ask us

i cannot answer you yet, since I dont have 25 posts lol..

u have my order id? why would u need a screenshot aswell?

when doing the "TEST" there was no link to where to find other gateways. it said I could add them, but no link to where to find it..

TOM - January 4, 2017, 12:15 am

Thanks for all the Purchases If Anyone Do Require Support Please Add me on Skype - [live:tomcruisehf](https://live.tomcruisehf)

Or send us a message .

Note - This Is to Prevent Noncustomer Fake support Posts on sales thread and Spam .
@makaveliii If you Do require support contact us on skype . we will direct you and show you How to find and We couldn't find you're Transaction ID you gave in Below in the system that's why we are asking you for the screenshot . And this will be my last reply for you . If you need further Support contact us thru skype or Private Message Only
