Thread: [Want 20\\$ PayPal today? Think of a name.](#)

**.Reef** - January 2, 2017, 1:48 pm

I'm horrible with names so I need some help.

I'm developing a esports competitive site and need a name to represent my company.

Here is some competitors names.

Gamebattles.com

Outfrag.com

Umggaming.com

I need something that sounds professional and looks clean. Also must have the og .com available so check namecheap or somewhere to see if it's available.

Need this by today so get posting! 20\$ pp for the winner.

Very nice format and nice names but unfortunately I don't think it fits what I'm looking for and developing and it's a little long in length.

However you provided a lot of suggestions so if I come up with a name based off some of the words you posted I will reward u :)
