Thread: [Cant log in, lost my 2factor device, can provide all necesarry info](#)

buf3r - January 2, 2017, 7:12 pm

hey, the account in question is bufferoverflow25, id=2153698

i have already sent a contact form, please email me on bufferoverflow25@gmail.com, i used it to register on the forum 4-5 years ago..

and the account has a leet status, so id like to keep it since i paid for it if possible..

Just wait for the staff to reply to you. You shouldn't have made a new account, but good luck getting it back, man!

Omniscient - January 3, 2017, 1:39 am

Forget it. You lost the account when you lost your security access.
